The Italian's
Passionate Revenge
Junko Okada
Original Text by Lucy Gordon

Oh!
I heard her husband died while sleeping with another woman in a hotel.
Elise is a bit exhibarated. She hasn't shed a tear.
The other woman ran away
The rumors are true
I can feel their eyes on me
Someone is watching me
Thud

Who is it?
Thud

Hello, Mrs. Carlton.
I am Vincente Farnese.
Tap Tap Tap
Oh! The man who headhunted Ben.
Yes.
I came from Italy.

The CEO of a major company?
From Italy? Just for a funeral?
Elise. I want to talk to you.
I'm Mary.
I was close to Ben.

I'm going to claim half of his inheritance.
I have a 5-year-old son with Ben.
He already sold it and bought an apartment in Italy.
You have the mansion! Sell it and give me half!
His money is not here. It's overseas.
I also want DNA evidence.
There are a lot of woman making claims like you.
That's why I'm living in a hotel.
He took it all there for our move to Italy.

How many have there been?
Bring evidence. Then we can talk.
Do you want to take it to court?
Fine.
But you're the one who will be shamefaced.
Clap Clap
Well said.
You have no chance, Mary.

I heard from Ben.
She only married him for his money.
Since...
This woman has a heart of stone and a sharp mind.
You'll pay for that!
Get out of my sight!
I didn't marry for money!

You don't look fine to me.
No.
Are you okay?
Slump
Sway
I'm fine.
Else.

How long has it been since someone held me like this?
I can feel the warmth of her body
I've only just met her. I need to move away

Oh

I want to stay like this forever

When the funeral is over,

Let's go to dinner.

Thank you.

You need to have a break.

Yes, with me.

With you?

How did you know?
I can tell.
Did you cry all night last night?
I'll go to dinner with you.
Strange person. I feel like I could entrust everyth ng to these fiery eyes.

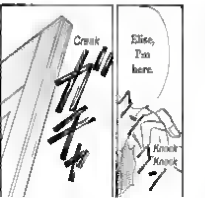
I wasn't crying over Ben's death
I was sad about my father's passing 2 months ago.
...
Then.
See you in an hour. I'm staying in this hotel, too.
I only married Ben to save my father
And I was sad about my destiny

If you don't want your father to go to jail, you must marry me.
My father stole from Ilari's company for me...
Because I wanted to study design in Italy
I had to betray Angelo, my boyfriend at the time.
Angelo was a poor student I met in Rome
We fell in love in an instant.

Because she will live a life of luxury with me!
Elsie is marrying me!
Elsie

Forgive me, Angelo.
Ben was proud and only wanted a pretty wife that he could show off. He didn't love me

Angelo is dead.
But when I called
I'll write him a letter.
I didn't have a chance to explain to Angelo before Ben forced me to leave Italy and marry him

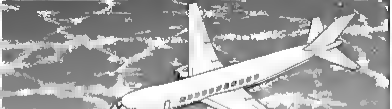


I found it in Ben's belongings when he died.

Angelo never got my letter

You look gorgeous.
Thud
You're right.
I need a break.

Where are we going?
So,
We can watch the night sky while we dine.
My personal chef is excellent.
This is...
My private jet.



All the men were staring at you at the funeral.
I heard Ben Carlton's wife was beautiful.

I'm not moving to Italy anymore.
No.
Ben is gone, but...
You should still come to Italy.

Yes.
Do you have bad memories of Italy?
Think of it as a vacation.
Like?
I don't want to say.
It's a secret, huh?
I guess everyone has secrets.
I heard you used to live there.

People shrouded in mystery are alluring.
Have secrets, too?
Do you...
Prob-ably.
What is it? I'd like to know the secrets of a man who has everything
But I also feel like something terrible will happen if I find out.
Elise.

For me.
Come to Italy.
Because...
Why?
For you?

I said yes because I thought I would never see him again
I should have been more careful
But I was unhappy. I wanted to start a new life.
Don't worry.
I just lost my husband. I have no common sense.

I must tread carefully.
I can't let her go now
I need to relax.

We're here.
I've reserved a superb restaurant for dessert.
Oh. Where is it?

I will take her to Italy
I finally caught her
That's why I came all the way to England

Italy.
What!
Welcome to Italy, Signora.

You can forget your lost memories and make new ones.

I said I didn't want to amuse.
How would you?

I'll help you make those memories.
Or else, being Italian, I would be sad.

Exactly. Don't think about it too hard.
Ben is dead and you are free.
I guess I'm here now
Let's have that dessert, then.
Sigh

That's how I do things.
But your way is too pushy.
Free?
Am I really?

But he's pushy in a different way to Ben, which is refreshing
I can't believe I'm in Italy again
I must be crazy

Really
Crazy
Wait.
Let's get a room.
Time doesn't matter
We just met.
Elise.
I can't do it.

I thought you felt the same as I did..
No.
I don't know what to do.
Can I be alone?
I have to think.
It's all too soon.
But I need time.

Bye, Signor Farnese.
Are you okay on your own?
Yes.
I can stay in the apartment Ben bought.
Is she playing hard to get?
Elisa chooses money over love.

Creak
I did.
"I thought you felt the same."
But I got scared
I wanted him to hold me tight.

It is probably his fiery eyes
I mean
Maybe the was all a dream
I feel like I will get burned
When I wake up I'll be in my room in London.
Nothing seems real
キンコン
Ding Dong
Huh?
A delivery from Vincente Farnese.

It wasn't a dream.
I am really
Then,
I should find out about Angelo.
in Italy.

I want to know how he died!
Dreaming about our wonderful night together
—Vincente Farnese
Ruhan
uuuu..

Mary Fontaine's case about her child being Ben's was a lie.
Ben hates children. He was determined not to have any with Elise, either.
He would have gotten jealous if his lover was distracted by their child.
2 months ago, just before Christmas, Elise's father died.
But Ben held a grand Christmas party as usual.
Elise looked sore, but people said she seemed awkward.

Excellent.
How is my report?
Your reputation precedes you, private detective.
That's all.
Jealous and self-centered: that was Ben Carlton.
Sure.
I need to know.
I want you to check one more thing.
But she cried silently the night before Ben's funeral.
She must have married for money
Ellie married a despicable man

I'll call her apartment.
No answer
Not in?
It was so sad my heart ached
Did she go back to England?
I shouldn't have let her out of my sight.

Excuse me.
Angelo's apartment isn't here.
This area's been totally redeveloped. The old buildings are gone.
Everyone moved.

Or death certificates.
I can't believe I'm not able to find Angelo Carloni's birth...
You should go to city hall if you're looking for someone.
It's as if Angelo Carloni never existed
How could this be?
But it didn't look like he studied or had problems with money. Where did he get his income from?
Angelo said he was a poor student,

Was he an illusion? Was our love a dream?
Other than my burning love for him, everything about him seemed unreal.
I hope our love lasts forever
I hope we can come back to Rome.

I thought I would never come back to Rome.
I threw a coin in the fountain with Angela too. Only a week later Ben took me away
But I'm here alone
I have the choice to stay here or go home.
But I'm also lonely
I'm finally free
But Ben sold our house back home...
What should I do now?

Vin-
cente.
Slam
バタン
Elsie!

Squeeze
Thud

You were worried about me?
Of course.
You weren't in your apartment so I was worried.
I haven't had a chance to show you a good time.
I can't let you go back to England yet.
I lose my ability to think rationally.
These eyes tempt me.
Don't look at me with those blazing eyes

I have a plan. Let's have dinner tonight.
It's too luxurious for me.
I'll sell it to help with my living expenses.
I'm not leaving yet.
I need to sell my apartment first.
I'm not sure if I can control myself
Tonight.
I'll be there at 7.

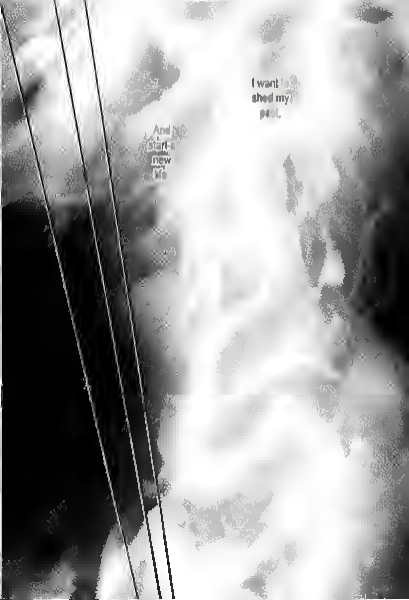
Vin-
cente.
I knocked but you didn't answer, so I came in.
Part 8.
I forgot to lock the door. I was just resting... What time is it?
Are you not surprised I'm here?

That's right.
Yes.
There cannot be...
Nothing you can't do.

Grab
If you're going to insult me, leave!
How much do I have to pay to have you?
I am mysterious.

Stump
Oh!
I...
Why did you come into my life?
I know you want that, too.
I'm scared of you.

You.
What do you want?
Passion has taken over
There is no love
But...
I'm yearning for Vincente's burning eyes.



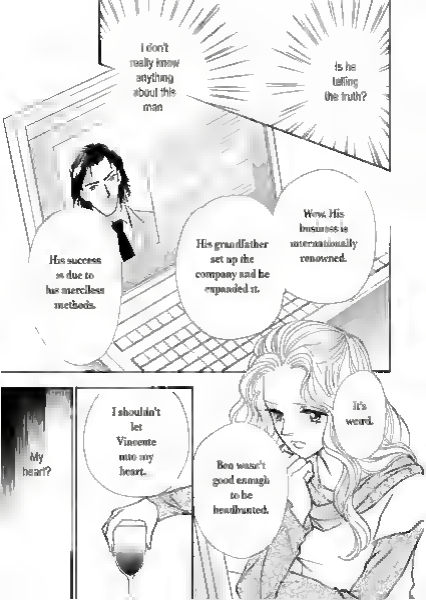
I want to shed my past.
And start a new life

I've never..
Felt like this.
Me, either.
But.
I feel like I've taken a new step forward.
What kind of woman are you?
I...
Don't know.

Already taken care of that.
I've...
I need to go back to sort things out.
Anyway
Your belongings you left in the hotel should arrive soon.
Huh ..?
We can eat here. I'll cook.
Can you set the table?
I feel like I'm being watched.
Unlikely
You really leave nothing to chance.
It's like you planned this whole thing.

Even if I said no, I know you'll have your own way.
But I'll pay it back, with interest.
Your apartment, I'll lend you money
Until you sell.
All right.
I don't plan to tie you down.
Then what do you want?
I don't want money to tie me down to anyone ever again.

I feel like you approached me,
Because you wanted something.
It's all in your mind.



I don't really know anything about this man
Is he telling the truth?
Wow. His business is internationally renowned.
His grandfather set up the company and he expanded it.
His success is due to his merciless methods.
It's weird.
Bea wasn't good enough to be headhunted.
I shouldn't let Vincente into my heart.
My heart?

I thought my heart died 8 years ago
Strange
I don't look good on TV.
The negotiations have broken down. CEO Farnese has walked out

I wanted to see you, so I snuck out of the hotel.
You were on the news...
Vis-comte!
My negotiations with you are much more important.
You do this to me.

But the distance between us is comforting for me right now
It's just a relationship of passion

He looks like a Roman statue.
Any woman would fall for him.
Squeeze
What are you doing? I can't breathe.
Oh, I'm sorry.
You were, just now.
I've never slept next to a woman.
Just my mother.
I couldn't help it. I wondered how many other women have seen you sleep.

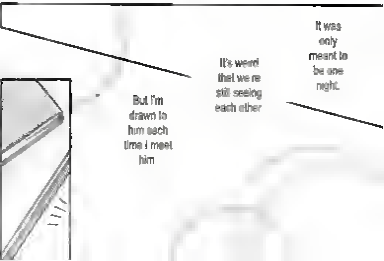
I have no weaknesses.
Never losing anyone are your weaknesses?
Always lived like this?
Have you...
I let my guard down.
You?
I'll give you a relaxing massage.
You can't live like that. It's not healthy.
Don't be stupid.
I massaged my dad a lot.
I'm quite good, you know.
Yes.

I loved my father
My mother died when I was young.
He brought me up single-handedly.
Then he must have been
No.
He was very upset.
Because.
Happy when you married Ben.
...
!
Elise.

My father stole from his company to pay for my studies in Italy.
Elise.
I married him to save my father.
Ren, his boss, found out.
He forced me to marry him in return for repaying the money and not pressing charges.
All because I wanted to come to Italy.

It's all over. Ben is dead and you are free.
But...
I didn't know!
My poor father regretted it until he died.
No, there's more.
I had a boyfriend at the time. But I had to break up with him before I had a chance to explain.
I see.
Poor Elise.
It's all my fault.

Please forgive me Angelo.
I wanted you to hear this.
Because I couldn't tell him.



It was only meant to be one night.
It's weird that we're still seeing each other
But I'm drawn to him each time I meet him

Vincente forgot something.
Information on me...
Why?
Oh...
Scatter

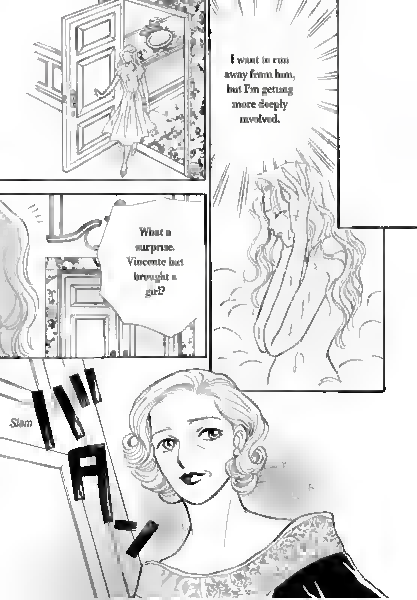
Why was Vincente investigating me?
It's me. I got some time off work. Let's go riding tomorrow
Sure. Okay.
Flinch
There are a lot of wild rabbits here.
Look, there.

The estate agent said it would sell quickly.
I still haven't sold my apartment.
What's wrong? You don't look well.
Are you doing something to prevent it being sold?
But I saw your file you left behind.
You were unrestr-aining me.
You said it was all in my mind.
It's possible. You're always one step ahead of me.

B-but, we met for the first time at Ben's funeral.
We just met.
I've known you from before that.
I.
Have always loved you.
Why?
Tell me, Vincente.

He's dangerous
Are you?
Who
I have to escape
Flash
Bang
Ahhhh

Splash
We're close to my mansion. Let's go there.
It's like a castle
I'll get you some clothes.
You can use the guest room.



I want to run away from him, but I'm getting more deeply involved.
What a surprise. Vincente has brought a girl?
Slam

This is the first time he brought a girl here.
I'm so happy. Let's talk over there.
Hello, Elise.
I'm Elise.
Welcome. I am Vincente's mother.
!
I know, because Vincente was acting strange.
You're the reason that workaholic has become more human.
I knew he was in love.
Huh!
Who are you two getting married?
Don't be shy.
We're not getting married.

Why is a photo of Angelo here?
This photo...
That!
Angelo!

That's Angelo.
My nephew.
I adopted him after my sister died.
He was like a brother to Vincente.
!!

Angelo was pretending to be a poor student.
The girl he was seeing betrayed him and married a man for money.
That girl must not have known he was rich.
A girl broke his heart and he killed himself.
But...
Killed ...
Heard from his neighbors,
That she kissed the other man in front of Angelo,
Breaking his heart. He was so upset, he committed suicide.

Vincente said he would find that girl, and tear her apart.
Peri
Angela called me that.
We don't know.
She fled abroad soon after
And her name?
I also despose her with all my heart.
Bang
Just that her nickname was Peri.

The past
Has ensnared him again

Oh.
Vincente.
...
You're late.
I've already said hello.
Slam
Have a nice time, Elise.

Just tell me the truth!
Slam
You...
Wanted to exact your revenge for Angelo.
I heard about Angelo.
I know why you came to see me.
I know why you were investigating me.
My son...
Was to break you and Ben up.

I have no plan.
Liar!
But Ben died. And I was stuck.
But you brought me to Italy.
You must have had another plan.
You wanted to seduce me, then dump me.
You wanted to make a laughingstock of me!

No.
I brought you here to tell you the truth.
I can't believe anything you say.
There is no truth.
The truth?
Why? Because you're not done with me yet?
I won't let you go like this.
I'm leaving.
Elise!

I love you!
No! No revenge.
Slap

Just
Just.
There was never any love.
The truth that I killed Angelo.
And..

I'll get a taxi.
I don't need a ride.
My heart.
Is torn to pieces.
Your revenge succeeded.

Where's Elise?
Dinner is ready.
Goodbye Vincente
Vin conte?
I've...
Done something terrible.

From Vincente again.
Angelo died because of me!
It's awful
Leave me alone!

I didn't want to know
I shouldn't have come to Italy
That Vincente's kindness and passion...
Were all only for revenge.

But I
Sway
Elise!
Are you okay?
I'll call an ambulance.
Bang

She's pregnant.
She has anemia caused by stress.
And.
How is she?
Preg-nant...

Die?
How did Angela...
So we concluded it was suicide.
I heard from his neighbors that you hurt my cousin.
It was a road he knew well. It wasn't an accident.
He jumped off a cliff on his bike. He never used his brakes.

No!
For revenge.
I only had the one photograph of you that Angelo had.
Angelo..
Often boasted about you.
At first, yes. But not now.
Last year,
I asked a talented detective to find you.
I imagined what you would be like. I started to look forward to hearing about you.
I didn't know any woman like that.
He said you were pure and innocent.

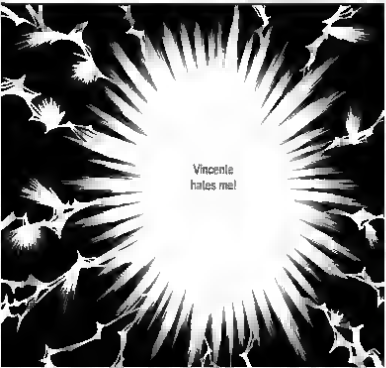
I was so angry to hear you had betrayed him.
That's why..
You can not imagine how I felt.
It was as if you betrayed me, too
When I looked at your picture
I hated you!
I hated you and loved you at the same time

No. No.
Let's get married.
It's my child.
You are pregnant.
We're getting married.
Please, stop.

Destiny

It's too horrible

Once again deals me a cruel card.

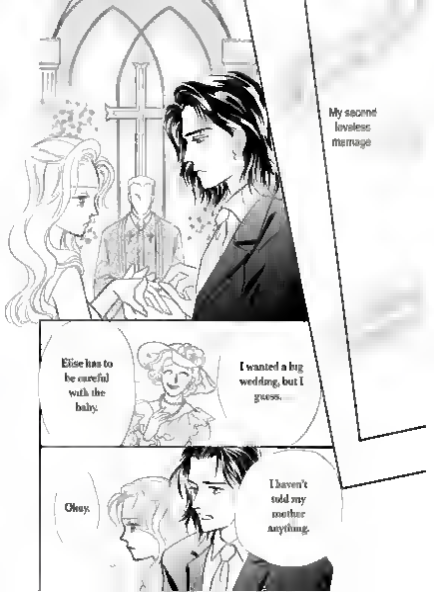


This is Angelo's grave.
Angelo.
Generations of the Farnese family are buried here.
Forgive me.

Where Angelo fell.
This is...
I will marry you.
From here.
Vincente, I.

Marrying you would be my punishment.
I can't deny the child a father
I thought about it.
Elise.
And...
And it will be my punishment for causing Angelo's death.
You can have your revenge by forcing me into a loveless marriage.

I have no right to be happy.
I killed him!
Don't be stupid!
Stop talking.
I'm used to loveless marriages.



My second loveless marriage
I wanted a big wedding, but I guess.
Elise has to be careful with the baby.
I haven't told my mother anything.
Okay.

Once you have the baby, we can have a big party.
You must be tired.
Yes.
Rest well.
...
I'll be next door.

Hates me.
Because he...
Vincente is avoiding me
But all I really want
Slam
Not surprising
Is for him to hold me tight
Come out on the veranda with me.
Else.
Knock Knock

Slam

The servants want to celebrate our marriage.

A toast to you both!
Congrats!
Congratulations!

Yes, a kiss!
Give us a kiss!

Vin-

But
I...
They're
waiting.
Cheer

As if I have been hit by lightning
My body is trembling
Tap
Cheer

I'm not pretending.
I do love you.
When we're alone,
You don't have to pretend you love me.
Oh!
It's not a lie!
Pull
No more lies!
Get out!

It's not.
It's not a lie!
Slump
ドサッ
Push

I have been staring at your picture for the past 8 years.

It is I who needs to apologize to Angelo.
Since the moment he spoke about you,
I have been in love with you.
Vincente.

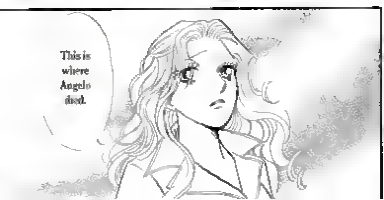
Finally realized how I feel, too
I love you Vincente.
Tap
!!

Here is what you asked me to investigate.
His death is putting a distance between us
Angelo's death hangs over us.
I love Vincente But

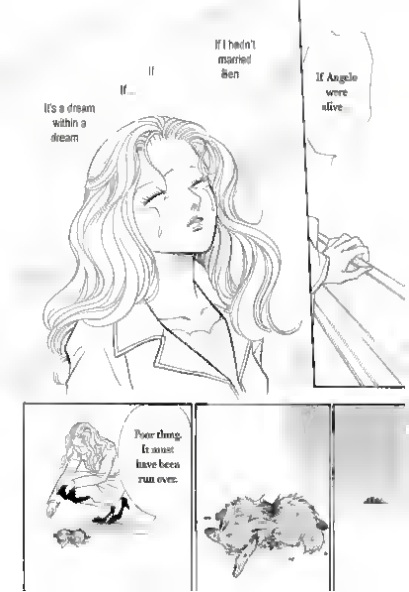
What!
Did not commit suicide.
Angelo...
Angelo was selling drugs with a friend.
How did he die, then?
For Angelo, it was just an extra bit of pocket money.
I found his accomplice and made him confess.
But a professional gang heard about them and he was being chased that day.

Then,
Angelo was killed by them?
Actually,
No.
A wild rabbit was the cause.
A rabbit jumped in front of Angelo as he was being chased at high speeds.
He swerved to avoid it, and fell off the cliff
I found eye-witnesses. They also have now informed the authorities.
But the witnesses were a teenage couple who were on a secret date, so they didn't initially come forward.

Elise!
I didn't know What have I done?
My God.



This is where Angelo died.



If I hadn't married Ben
If
If...
It's a dream within a dream
If Angelo were alive
Poor thing. It must have been run over.

Elise is not in the mansion!
Vroom
Like my heart.
Where did she go?
It's Vaucourte's car.
Elise!

Dash
Screech
Oh!
How Angelo died
So this is –
Bang

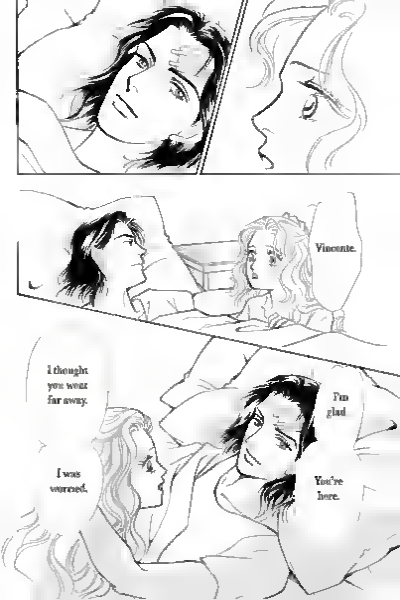
キャアアアアーン
No!
Vincente!

Signora Farnese.
Where is Vincente?
Dash
I lost Angelo 8 years ago.
And now Vincente?
He's in surgery.
Creak
The surgery was a success.
But he has head hard. If he doesn't wake up soon, he could be in danger.

Vincente...
Am I going to lose you, too?
No.
Oh -
Squeeze
Vincente was investigating this for me.
Angelo's death was an accident.

Angelo. I'm sorry I betrayed you.
I had no choice.
If.
You could forgive me.
More intense more passionate
It's different to the feelings I had for Angelo.
My feelings for Vincente

I would do anything to save him.
Please save Vincente.
I love Vincente.
Touch



Vincente.
I thought you were far away.
I'm glad.
I was worried.
You're here.

Leave you.
I would never...
Sigh
Yes.
I haven't...
Made you happy yet.

Bury your sad and painful past.
We can create new happy memories.

Together.

Today is the starting point for our new life together
